Why Network Marketing?

Networking is based on word of mouth and as a business model allows people to leverage their efforts to create growth and residual income.

It made sense for a company that pioneered certified organic products for health, home and body to grow the business organically too!

We discovered years ago that people fall in love with Miessence products and tell other people how much they enjoy them.

We wanted to reward our most passionate advocates – Miessence customers – with an opportunity to earn an income from doing what they love while making a difference to the world at the very same time.

2 Ways to Connect with Miessence

1. LifeStyle Member

- Join for free.
- Purchase products for your personal use and receive discounts based on the size of your order.
- Upgrade to Representative at any time you choose.
- To count as a qualified LifeStyle Member for their sponsor, the LifeStyle Member must have placed an order of at least 75 Points in the calendar month.

2. Representative

- Wishes to build a home-based business.
- Purchase products for your personal use and receive discounts based on the size of your order.
- Join for free if your initial order is at least 75 Points (\$50 Joining Fee if less than 75 Points).
- To qualify for bonuses, you must purchase at least 75 Points in Personal Volume during a calendar month.
- A Representative who introduces a new Representative or LifeStyle Member to Miessence is known as their SPONSOR.
- Your rank determines the bonuses you receive from the sales of your downline team of Representatives and LifeStyle Members.
